Elizabethtown, Kentucky– Clarity Solutions will hold its annual Fundraising Gala on April 23, 2024. This year's Gala, "Celebrate Abundant Life", will be hosted at Severns Valley Baptist Church from 6pm to 8:30pm. The event is free to attend, but will present an opportunity to make a financial gift will be extended.

The semiformal event will start with a social hour at 6 p.m. with hors d'oeuvres, refreshments, and a live string quartet. At 7 p.m., the program will include corporate worship, a center update from Clarity's new CEO, Marquita Ball, incredible client stories, and a message from keynote speaker, Andrew Wood, who serves as the Senior Executive Director of Church Engagement for Care Net.

For nearly 25 years, Clarity has been providing hope and help to tens of thousands of people in our community facing unexpected pregnancies through a holistic range of no-cost services. Some services include a free medical Clinic at 105 E Memorial Dr. for pregnancy testing, limited obstetrical ultrasound, and nurse consultations. Clarity also provides a comprehensive education program for moms to receive mentorship, critical child care skills, and life skills. In addition to the motherhood program, Clarity also offers a fatherhood program with classes and mentorship specific to dads. Resources are earned through participation in Clarity's support programs for up to three years - through pregnancy and up to the child's second birthday. A client can earn everything they need for their child, from diapers to CPR training, to car seats and more. In addition to educational support, Clarity also has a program available for women who have made an abortion decision and seek community and comfort. The Haven Maternity Home is an additional arm of Clarity Solutions. The Haven houses pregnant women who have unstable housing or homelessness through pregnancy until their child is 18 months old.

Through these services, Clarity hopes to foster hope in unexpected pregnancy, practical help, generational change, and abundant life for families in Central Kentucky. All of Clarity's services are free and confidential and are available solely because of the generosity of our donors.
