

Medical Services

This is the first step for men and women facing an unplanned pregnancy. For those women not yet under a doctor's care, the services below are offered free of charge.

- Free, lab-quality pregnancy test
- Ultrasound exam
- Accurate information on pregnancy options
- STD/STI information
- Nurse consultation

What do Clarity's clients say?

"The care and services provided far exceed my expectations with each visit. Everyone seems very caring and gives great individualized care."

"I love this place. Great information and resources. Great Staff!"

"The ultrasound influenced me to keep and parent my child."

Since 2001, Clarity has provided help and hope to those experiencing an unplanned pregnancy in Central Kentucky. All services are free, holistic, multi-faceted and confidential. By offering a unique combination of specialized services and education, Clarity is uniquely equipped to meet the complex needs of those at risk for abortion.

Men's Program

Clarity seeks to empower men to have a voice in their pregnancy decision and to be well equipped as dads.

We offer:
